Hey Batta Batta Swing!

People Incorporated sponsored the St. Paul Saints' Artsy Fartsy Day at CHS Field in August! We had a great time connecting art, mental health, and baseball. There were various art activations around the stadium, including a collaborative painting led by the Artability lead, Tessa Weyhe.

People Incorporated's CFO, Kellan Tittle, threw out the first pitch!

The Great Minnesota Get-Together

The Minnesota State Fair is back, and People Incorporated had the opportunity to host a table on August 25th for Mental Health Awareness Day!

We shared our mission, highlighted our services and showcased both the Artability workshops, and the Artability Show & Sale.

Why Give to People Incorporated? Because Mental Health Cannot Wait

As Minnesota's largest nonprofit community-based mental health provider, People Incorporated believes no one should fall through the cracks. Your donations help us reach that goal by supporting individuals facing trauma, isolation, and homelessness—people who might otherwise go without care. From crisis response to long-term support, your gift ensures that help is always available.

WHY I GIVE

"I give because I like to help others. It's incredibly fulfilling to know that my contributions, no matter how small, can have a positive impact on someone's life. There's a certain joy and sense of purpose that comes from knowing I'm part of something bigger than myself. Together, we succeed together as a team."

- Tasha Rice, ARMHS Program Supervisor
