Celebrating Pride

Pride Month at People Incorporated

People Incorporated celebrated Pride Month throughout all of June. We believe there are no limits to love, and we celebrate the LGBTQIA+ community in June and beyond.

We had a table at the Twin Cities Pride festival and spent the day talking to community members, handing out resources, and celebrating the day with love!

GIVE BACK MONDAY

SUPPORT MENTAL HEALTH IN OUR COMMUNITY

Join us at LTD Brewing for Give Back Monday, benefiting People Incorporated. 20% of the day's revenue will be donated to support mental health services in our community.

Come hang out and support a great cause.

At Bat for Impact Results

The Power of Your Votes!

This summer, People Incorporated participated in At Bat for Impact, a Minnesota Twins and Thrivent initiative highlighting local nonprofits focused on care and connection. Through the support of our community, we helped unlock donation dollars that directly support mental health services. We're grateful to share that together, we raised \$2,500 to strengthen programs that serve individuals and families across our community.
